Angel of the North Annie Wilkinson

Who can she turn to when life gets tough?

April 1941, Hull. Nurse Marie Larsen has grown used to the challenges of keeping Hull Royal Infirmary running during the Germans' attacks on her city. Amidst the sudden power cuts, blown out windows and with wounded civilians pouring into the hospital at each new attack, she always thanks her lucky stars that the latest bomb didn't have her name on it.

But when a fresh wave of bombings tears Hull apart, this time tragedy strikes close to home. With her mother now critically ill in hospital, and her father missing, Marie will have some tough decisions to make if she is to keep her younger brother and sister, Alfie and Pam, safe.

Amidst the chaos and uncertainty, it is Marie's beau, Chas Elsworth, who alone is able to keep her spirits up via letters and phonecalls from his post. So when evidence comes to light that Chas might not be the dependable rock that Marie has come to rely upon - where can Marie turn for support?

A gripping tale of ordinary people facing extraordinary challenges, *Angel of the North*, is perfect for fans of Katie Flynn and Margaret Dickinson.

From reader reviews:

Martha Williams:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want send more knowledge just go with training books but if you want sense happy read one along with theme for entertaining such as comic or novel. Often the Angel of the North is kind of book which is giving the reader capricious experience.

Charles Barton:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is from the former life are difficult to be find than now is taking seriously which one works to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Angel of the North as the daily resource information.

Jose Lloyd:

Book is one of source of know-how. We can add our information from it. Not only for students but in addition native or citizen require book to know the up-date information of year in order to year. As we know those ebooks have many advantages. Beside most of us add our knowledge, can also bring us to around the world. With the book Angel of the North we can have more advantage. Don't you to be creative people? Being creative person must prefer to read a book. Only choose the best book that suitable with your aim. Don't be doubt to change your life at this time book Angel of the North. You can more desirable than now.

Monique Hightower:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is published or printed or descriptive from each source that filled update of news. In this modern era like right now, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just seeking the Angel of the North when you necessary it?
