## **Cantos de desesperación y amor (Spanish Edition)** Pedro Menchén

Este libro, la mitad de él en verso y la otra mitad en prosa, contiene los quince últimos poemas de los más de cien que escribió Menchén durante su adolescencia y que, según sus propias palabras, absuelve y entrega a la imprenta «por motivos sentimentales». Son quince poemas desgarrados, heridos, visceralmente románticos, que palpitan amor y desesperación, tal como reza el título, y que nos desvelan la faceta más auténtica de un escritor que, antes que nada, quiso ser poeta.

Completa este tomo una selección de textos en prosa, extraídos de diversos escritos del autor (algunos de ellos inéditos) en los que reflexiona, con su peculiar estilo, sobre el amor y el desamor.

---

El amor es la droga más exquisita jamás inventada. Nada altera tanto la psique y el metabolismo como el amor. El amor puede transformar radicalmente el carácter y la personalidad humana. Cada experiencia amorosa implica un giro drástico en nuestra vida y en nuestra manera de ver las cosas, tal vez porque tendemos a mimetizarnos y adoptamos el punto de vista de la persona amada o, como mínimo, nos dejamos influir por él.

P.M.
