David Copperfield (Spanish Edition)

Charles Dickens

David Copperfield (Spanish Edition) Charles Dickens

Una infancia atribulada, con un padrastro cruel, una madre débil, un internado siniestro. Una adolescencia de explotación y miseria en una fábrica. Por fin, la huida, a pie, de Londres a Dover, donde una tía excéntrica, que siempre quiso que el niño fuera niña, acoge y protege al huérfano desamparado. Luego la juventud: los primeros amores, los primeros trabajos, los primeros amigos. Y las decepciones: amores equivocados, amigos que se desvían, promesas que se desvanecen, y también lealtades que perduran. *David Copperfield* fue siempre la novela preferida de Dickens, quizá porque en ella proyectó gran parte de su propia vida.

Desde su publicación por entregas entre 1849 y 1850, no ha dejado más que una estela de admiración, alegría y gratitud. Henry James recordaba que de niño se escondía debajo de una mesa para oír a su madre leer las entregas en voz alta. Dostoievski la leyó en su prisión en Siberia. Tolstói la consideraba el mayor hallazgo de Dickens, y el capítulo de la tempestad, el patrón por el que debería juzgarse toda obra de ficción. Fue la novela favorita de Sigmund Freud. Kafka la imitó en *Amerika*, y Joyce la parodió en el *Ulises*. Para Cesare Pavese, en estas «páginas inolvidables cada uno de nosotros (no se me ocurre elogio mayor) vuelve a encontrar su propia experiencia secreta».
