**Losing Patience: The Problems, Alarms and Psychological Issues of Shaken Baby Syndrome** James Peinkofer

All it takes is two or three violent shakes — in a little as five seconds by an angry parent or caregiver — to punish or quiet a crying child. Shaken Baby Syndrome (SBS) is the leading cause of abuse related deaths among infants. Nearly one-third of shaken babies die, with as high as 80 percent of survivors suffering permanent brain damage.

In *Losing Patience*, James Peinkofer provides an encompassing look into the famous and recent cases (Virginia Jaspers, Patience Gill, and Louise Woodward) and key medical personnel that helped shape and define Shaken Baby Syndrome. He identifies the victimology (which infants and children are most vulnerable), what to look out for in a caregiver, and what a family should do if they suspect SBS. He also provides prevention efforts, ways to soothe a crying baby, and stories from the families and survivors.

*Losing Patience* is a must-read for every parent, grandparent, and caregiver. The life that's saved may be your tiny loved one's.

Do you want to try this extraordinary spending spare time activity?

#### **Denise Swann:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Losing Patience: The Problems, Alarms and Psychological Issues of Shaken Baby Syndrome can make you truly feel more interested to read.

#### **Nancy Chinn:**

Publication is one of source of knowledge. We can add our know-how from it. Not only for students and also native or citizen want book to know the update information of year to be able to year. As we know those

textbooks have many advantages. Beside most of us add our knowledge, can also bring us to around the world.
