Julian Fellowes

The Curious Adventures of the Abandoned Toys Julian Fellowes

When Doc the bear arrives at the dump from his former home in a children's hospital, he's not sure what kind of life awaits him. But the friends he finds there are determined to make his new home a welcoming one. In the gentle, classic style of *The Velveteen Rabbit*, the toys discover what it's like to live on their own.

Julian Fellowes's witty text and S. D. Schindler's lovely, intricate art combine to make a beautiful gift book, sure to strike a chord with any child—or adult—who has ever loved a stuffed toy.
