Wrapped and Strapped (Blacktop Cowboys Novel) Lorelei James

In the new Blacktop Cowboys® Novel from the *New York Times* bestselling author of *Hillbilly Rockstar* strange bedfellows find common ground after the lights go down...

Flower child, vegetarian and humanitarian Harlow Pratt and gruff and strapping cattle ranch foreman Hugh Pritchett have been taunting each other for years. Hugh thinks she's nothing but a spoiled rich girl, and he's had enough of that life with his ex-wife. Harlow thinks Hugh is an ill-mannered trouble-maker who wouldn't know fun if it bit him on his tight denim-clad butt.

When they're forced together at the Split Rock Ranch and Resort, everything changes. They might be polar opposites, but working out their differences skin to skin, in the dark, seems to help their incompatibility a lot. But when trouble from both their pasts comes calling, Harlow and Hugh have no one else to lean on. Can they trust one another enough to make it through the hard times together... or will their tentative truce fall apart?
