For the twice-published novelist, reading an article about herself in the *National Enquirer*—under the headline "Here's One for the Books: Cleaning Lady Is an Acclaimed Author"—was more than a shock. It was an inspiration.

In *A Broom of One's Own*, Nancy Peacock, whose first novel was selected by the *New York Times* as a Notable Book of the Year, explores with warmth, wit, and candor what it means to be a writer. An encouragement to all hard-working artists, no matter how they make a living, Peacock's book provides valuable insights and advice on motivation, craft, and criticism while offering hilarious anecdotes about the houses she cleans.
