## **Colony of Evil (Don Pendleton's Mack Bolan)** Don Pendleton

Claiming one hundred square miles of mountainous terrain inside Colombia--ideal for the coca crop that supplies its revenue--Colonia Victoria is a sanctuary for humanity's most dedicated fanatics. Organized by one of Hitler's minions still deeply devoted to the eradication of those considered threats to the "master race," this Nazi Neverland is now a deadly global threat. And it's spearheading a new wave of terror--with a little help from drug money, corrupt officials and a partnership with Islamic fanatics.

Mack Bolan's hunting party includes a Mossad agent and a local guide, as tracking Hans Gunter Dietrich becomes a violent trek deep into the jungle, where Bolan intends to dissolve an unholy alliance in blood.
