"In this excellent book by Aubrey Malphurs and Steve Stroope, you will be exposed to both the solid biblical principles and the sound financial practices necessary for effective growth in a church of any size."--Bob Buford, founder, Leadership Network; author, *Halftime and Finishing Well*

"This fine work will provide pastors with a critical tool for understanding and addressing the financial needs of their churches. It's a practical book that will fill a void that has existed for too long in the training of pastors for their fiscal management role in the church."--Tony Evans, senior pastor, Oakcliff Bible Fellowship

"Few seminaries teach it, and fewer pastors find financial expertise in their nature or skill set. But strong financial management couldn't be more important to the success and health of a church. Money Matters in Church fills a much-needed gap of understanding for pastors and lay leaders."--Ronald E. Keener, editor, *Church Executive* magazine
