On The Mesa John Nichols

For the first time in paperback with a new foreword by the author, *On the Mesa* is an autobiographical celebration of life in a fragile and marginal place. On the deserted sagebrush plain just west of his home in Taos, New Mexico, John Nichols finds a healing serenity and an astonishing variety of life and mood that casual observers rarely notice. With *On the Mesa*, Nichols takes his place with the great nature writers of the West.
