It's a funny relationship between quirky cats and their dedicated owners. A cat begs to be petted, then strides coolly away. Calm one minute, it's tearing up and down stairs and clawing drapes the next. Yet we still adore our cats--perhaps because they're a lot like us. In this delightful book of devotions from the authors of *Four Paws from Heaven* humorous stories about cats and their people give insight into our own relationships with God.

Barney, Misty, Muffin, and a host of other feline friends illustrate how even the most contradictory creature can thrive in the presence of a loving, ever-patient owner. Each entertaining and enlightening tale encourages readers to discover how God draws us to Himself, stimulates our growth, cleanses and refines us, teaches us His ways, and reigns over us for our own good. Perfect for animal lovers everywhere, this unique devotional inspires us to delight in the Lord and lap up His loving presence.
